OUR PHILOSOPHY

Mopbot was created to provide service for industrial area cleaning. Our mission is to guarantee better cleaning with less resources consumption.

ENHANCE
PRODUCTIVITY,
RELIABILITY,
PERFORMANCE,
AND COST
REDUCTION!

OUR SERVICE

AUTONOMOUS ROBOT

Mopbot is almost fully autonomous robot operating without human power, which reduce the costs on human power.

NO MISTAKE

Eliminating human factor gives us opportunity to eliminate the most unpredictable and most nonmeasurable quality defect in case of cleaning.

ADAPTATION AND CONTROL

Mopbot can be adjusted to any operation area. Our company provides also service for robot.
